50X1-HUM

a. Most of these were supply shipments of the Eighth Gds Army. Only the trains between GERA and ALTENGRAPOW on 9, 10 and 13 July 1949 carried GERA artillery units (either artillery units of the 20th Gds Recz Div or component units of the 38th AF Arty Brig) which returned from, or went to, ALTENGRAPOW on maneuvers.
